THERE'S A FERRET FOR EVERYONE

FERRET PRO CABCFWF50B

The Ferret Pro is a professional and durable next generation inspection tool designed and engineered with award-winning features to provide easier, faster & safer visual inspections. Includes App controlled variable focus lens and super fast charge. If you need to locate and pull in cable or need to get your eyes on something out of reach then Ferret Pro is the perfect tool. Ideal tool for electricians and other trades.

FERRET PLUS CABCFWF50P

The Ferret Plus brings you the ultimate innovation in inspection technology. Includes built-in (on board) memory and the first ever non-contact voltage detector that is not handheld to help detect live cables from a greater reach than ever before. Perfect for someone who loves having the latest technology to work easier, faster & safer. Suitable for electricians, plumbers, builders, HVAC, lighting installers + more.

FERRET ACCESSORIES

FERRET STICK CABCFST-55C

The Ferret Stick provides extended reach up to 140cm in length that allows you to see and reach where you can't. It has 1/4" - 20 UNC thread, which is compatible with all Ferret products. The all new CFST-55C Ferret Stick has lockable sections for greater functionality.

 Do not use the Ferret Stick near live power!

FERRET WRISTBAND CABCFWB360

The Ferret Wristband is a universal phone holder that will securely attach any smart phone from 3.5" up to 6" to your wrist. With a 360° rotatable front section the phone can easily be turned to the perfect angle needed for any situation.
